**12" Disc Sander w/
Integral Dust Collection
Model 31-120**

PACKAGE CONTENTS

Delta Industrial Model 31-120 12" Disc Sander with Integral Dust Collection includes a 1/2HP, 120V motor; hose with 2 1/2" I.D. connectors, 80-grit abrasive disc, wrenches and instruction manual.

DELTA DIFFERENCE

- Powerful, 1/2HP, 120V motor for long lasting, smooth.
- Manual brake stops sanding disc in seconds.
- Heavy-duty, steel disc plate features a 12" diameter, 80-grit abrasive disc for fast, efficient sanding.
- Tilting cast-iron table with 90 degree and 45° positive stops locks in position with spring-loaded, table-locking handles.
- Cast-iron base with pre-drilled base holes for quick and easy bench mounting.
- Dust hose with 2 1/4" I.D. connectors attaches quickly to any standard shop vacuum.
- Integral dust collection fan draws dust away from table and into hose for cleaner sanding operation.
- The Delta 12" Disc Sander features a 3/8" X 3/4" miter gage slot machined into the table for projects that require sanding an angle or straight edge.
